### *The philosophy*

STRICTO SENSO – VIN DE PAYS D'OC is a creative range of mono-varietal wines from consultant and negociant, Brigitte Chevalier. She selects vineyards and estates in the Languedoc Roussillon to source the best grapes and terroirs of this new world of wine and to show the typicity and the purity of one single varietal

### *The STRICTO SENSO range*

#### *STRICTO SENSO Sauvignon*

Floral aromas, onctuous. Notes of white flowers, ripe and thick. A very pleasant, crispy Sauvignon with an elegant balance.

Food Pairing : Grilled Thai Shrimp and Mango

#### *STRICTO SENSO Chardonnay*

A beautiful balance between thickness and freshness. The aromas are intense and quite typical of a Chardonnay grown in a temperate area, with notes of white flowers and notes of fruit (peach).

Food Pairing : Sautéed Shrimp with Star Fruit and Rice.

#### *STRICTO SENSO Syrah*

This Syrah offers fresh, crispy and aromatic floral notes and very fruity (red fruit, then black currant and bilberry) aromas. In the mouth no heaviness, a lot of fresh red and black fruit notes for this Syrah growing on a temperate terroir in South of France.

Food Pairing : Boeuf en Daube à la Provençale

#### *STRICTO SENSO Cabernet Sauvignon*

A nice perfume of ripe fruit. In the mouth the tannins are silky, ripe and well integrated. This elegant, typical and ripe Cabernet Sauvignon is growing in a warm area of the Languedoc South of France.

Food Pairing : Thai Grilled Lam with Fresh Herbs

#### *STRICTO SENSO Merlot*

This Merlot is fruity and ripe and already approachable although there is no shortage of tannins.

Food Pairing : Mushroom Risotto

### *About the name and packaging*

The word "STRICTO" means that each cuvée is STRICTLY made of one SINGLE varietal. The word "SENSO" suggests sensuality and pleasure in these wines. The name of each varietal and the point on the "I" of "STRICO" is printed in a different colour on each label and case. The attractive black/white label, the personalized black and silver caps are giving to this range of wine an appealing and strong message.
